👤 PROFILE

To be a part of an organization where I can fully utilize my skills and knowledge and make a significant contribution to the success of the organization and enhance the individual growth and team work.

🎓 EDUCATION

Bachelor of Engineering

A. C. Patil college of engineering (Mumbai University)

Completed Bachelors Of Engineering in Computer Engineering with aggregate of 74.91%

2019 – 2023

Khargher, India

Diploma

A. C. Patil college of engineering

Completed Diploma in Computer Engineering with first class Distinction 81.38%

2017 – 2019

Khargher, India

💼 PROFESSIONAL EXPERIENCE

Software Enginner

Adiflex Technology

Working as a Angular Dev. and NodeJs Dev.

07/2022 – present

Pune, India

- Developed responsive and visually appealing user interfaces for web applications using Angular, ensuring optimal user experience and seamless interactions
- Implemented server-side logic and APIs utilizing Node.js, enabling efficient data manipulation and database interactions.
- Contributed to full-stack development projects, demonstrating versatility in handling both front-end and back-end components.
- Collaborated with cross-functional teams, including UX/UI designers, developers, and project managers, to deliver successful software projects on time and within budget

📁 PROJECTS

Reward System for Google Classroom

Technology: Java, JavaScript, MySQL

11/2021 – 03/2022

In this project we have developed reward system for Google classroom by using Java and Google API. Purpose

behind creating such application is that students will be provoked by the sweet rewards rather than marks, they will have something for which if he/she completes assignment they will get handsome rewards.

Technology: C, HTML, CSS, Bootstrap

In this project we are proposing the Wireless Arduino Receiver Military Security device, in this project we implement a wireless tank which will work on Arduino with help of WI-FI module.

SKILLS

Programming Languages

- JavaScript
- TypeScript
- Java

Database

MySQL

Front-End

- Angular
- HTML
- CSS
- Bootstrap

Back-End

- Node.js
- Express.js

Version Control

- Git
- GitHub

LANGUAGES

- Marathi
- Hindi
- English

AWARDS

Technical Project Competition

15/03/2019

BhaBharati Vidyapeeth's College of Engineering

CERTIFICATES

- TCR Innovation Internship program (Java & SQL) 

DECLARATION

I hereby declare that the above written particulars are true to the best of my knowledge & belief.
